

PRINN PRINYANUT

Address: 19828 E. 60th Pl, Aurora, CO 80019 | **Phone:** 303-886-9196

Email: prinnprinyanut@gmail.com | **Website:** <https://prinnpy.github.io/mysite/>

SKILL & INTERESTS

Languages/technologies: C/C++, HTML, CSS, Javascript, Node.js, Express.js, Python.

Experienced with: Xcode, VS Code, Git, Github, MS Office Word and Excel, Linux, Windows 8 and 10, OS X.

Professional: Excellent time management, strong communication, adaptability, cheerful, and approachable.

Interests: ACM member, fitness, basketball, coding challenges, sci-fi reader, build cool things.

PROJECTS

Personal Website (side project)

March 2018

- My personal website
- Applied strong HTML and CSS skills. Demonstrate proficiency with twitter bootstrap.
- Simple static personal website that showcase my front-end development skills.

RGB Game (side project)

December 2017 - January 2018

- RGB colors quiz.
- Applied strong programming in HTML, CSS, and Javascript.
- Build a web app that generate random colors, and allow user to guess the correct RGB colors.

Oscar's Database (class project)

April 2018 - May 2018

- Program that creates 2 databases and allows user to interact with each databases' records.
 - Applied strong programming in C++.
 - An algorithm that reads in 2 given files. Store them in BST, and let users to interact with each database.
-

EDUCATION

University of Colorado, Denver

B.S. Computer Science

Denver, CO

August 2017 - Present

Major GPA: 3.92 / 4.0

Relevant coursework: Fund. of Computer Science, Logic Design, Object oriented prog., Data structures, Assembly Lang., Discrete Structures, Database Systems, Python/Java, Calculus I and II.

HONORS

Dean's list: 2017 - 2018 University of Denver Dean's list.

Certificate: 1st place in Fall 2017 UCDenver ACM Coding Challenge
